**Cadre review of group 'C' & 'D' Staff of CPWD**

2427. SHRI SAMAR MUKHERJEE: Will the Minister of URBAN DEVELOPMENT be pleased to state:

(a) whether it is a fact that the Cadre Review of Ministerial Drawing and Class IV staff of CPWD has been held up for want of implementation of Second Cadre Review of Group 'A' Officers;

(b) if so, whether Government propose to delink cadre review in respect of Group 'C' and 'D' staff of CPWD from Group 'A'; and

(c) the reasons for which the first cadre Review of Group C&D staff has not been carried on alongwith Group 'A' officers?

THE MINISTER OF URBAN DEVELOPMENT (SHRIMATI SHEILA KAUL): (a) and (b) Cadre review of some ministerial posts is linked with the second cadre review of Group A officers of Central Engineering service and Central Electrical and Mechanical Engineering service of the CPWD. A decision on the same will necessarily have to await the final outcome of the cadre review of the Group A Services. However proposals relating to the cadre review of the remaining ministerial posts and Class IV staff not linked to Group A service is being processed separately. Government have set up a Cadre Review committee for the cadre review of drawing staff.

(c) Government's instructions/guidelines issued on the recommendations of the Administrative Reforms Commission provided for periodic cadre review being conducted in respect of organised Group A services only once in 3 years. Accordingly, a cadre review was initiated in respect of the organised Group A Engineering Services of the CPWD in 1977. Which however, could be finalised in 1985 only. In respect of Group C and D staff there were no instructions for conducting periodic cadre review. Guidelines for periodic cadre review in respect of Group B, C and D cadres were issued by the Government for the first time in November, 1987, according to which cadre reviews in respect of Group B, C and D cadres are to be undertaken after every 5 years.
